Π

1	MEMORANDUM OF POINTS AND AUTHORITIES
2	(Choose only one box below and fill in the blank lines that follow it with your explanation.)
3	I was never served with the Summons and Complaint. The Proof of Service alleges
4	service was executed, but I dispute service for the following reasons: (explain why the Proof of Service is
5	wrong or why you were never served):
6	
7	
8	
9	
10	Justice Court Rule of Civil Procedure 60(c) provides in pertinent part as follows:
11	When a default judgment shall have been taken against any party who was not personally served with summons and complaint, either in the State of
12	Nevada or in any other jurisdiction, and who has not entered a general appearance in the action, the court, after notice to the adverse party,
13	upon motion made within 6 months after the date of service of written notice of entry of such judgment, may vacate such judgment and allow the
14	party or the party's legal representatives to answer to the merits of the original action.
15	I acknowledge that I was served with the Summons and Complaint. However, I did
16	not file a timely Answer for the following reasons (explain why you did not respond to the Complaint):
17	
18	
19	
20	
21	Justice Court Rule of Civil Procedure 60(b)(1) provides that the court may relieve a
22	party or his legal representative from a final judgment, order, or proceeding for "mistake,
23	inadvertence, surprise, or excusable neglect." For motions under JCRCP 60(b)(1), the court is
24	
25	to consider the following factors: (1) a prompt application to remove the judgment; (2) an
26	absence of an intent to delay the proceedings; (3) a lack of knowledge of procedural
27 28	requirements; (4) good faith; and (5) the court must consider the general policy in favor of

resolving cases on their merits. *See* <u>Kahn v. Orme</u>, 108 Nev. 510; 835 P.2d 790 (1992). A meritorious defense is not required to enable setting aside a judgment. *See* <u>Epstein v. Epstein</u>, 950 P.2d 771 (Nev. 1997).

(Complete all the blanks below, regardless of what option you selected above.)

I discovered the default judgment was entered against me on (insert date when you discovered there was a default judgment) \_\_\_\_\_\_. I made this discovery through the following facts (describe how you found out about the default judgment):

Defendant's circumstances support relief from the default judgment. Defendant files this motion shortly after discovery of the judgment and its consequences and has no intent to delay the proceedings. Further, Defendant is willing and able to adhere to all deadlines and scheduling the court may order. Additionally, Defendant is acting in good faith in order to actively defend himself/herself in this matter.

Further, Justice Court Rule of Civil Procedure 62(b) states in pertinent part, "In its discretion and on such conditions for the security of the adverse party as are proper, the court may stay the execution of or any proceedings to enforce a judgment pending the disposition of a motion...for relief from a judgment or order made pursuant to Rule 60..."

Pursuant to the terms of Rule 62(b), Defendant respectfully requests that the execution of the judgment be stayed, pending the resolution of this motion, as the amount of money that has been or could be withheld may be beyond what the Defendant can reasonably afford. The withholding of Defendant's funds would limit the Defendant's overall ability to meet other

budgeted obligations and pay for the necessities of life. Thus, the Defendant requests a stay of execution.

Accordingly, Defendant respectfully requests this Court set this matter for hearing and vacate the judgment. Pending the hearing on this matter, Defendant further requests the execution of the judgment be stayed until the resolution of this motion, and that any writs of garnishment be vacated, and that any and all wages and property garnished from Defendant be ordered returned to Defendant.

I declare under penalty of perjury that the foregoing is true and correct.

DATED (insert today's month and day) \_\_\_\_\_, (insert year) 20\_\_\_\_.
